# Ribbon Cutting Ceremony to Celebrate Grand Opening of the South Post Oak Sportsplex

*"Fort Bend County takes youth sports to a brand new level with a state of the art \$6 million dollar Sportsplex facility in Precinct 2 of Fort Bend County."*

**Fort Bend County, Texas** — Fort Bend County Commissioners Court will mark the Grand Opening of the South Post Oak Sportsplex with a Ribbon-cutting ceremony for the newly constructed facility in Fort Bend - Houston on Saturday, May 21, 2022 at 10:30 a.m. After the ceremony, guests will be welcomed to enjoy a tour and active demonstrations of the Sportsplex's available amenities.

The ceremony will also include a Field Dedication in honor of Fort Bend natives and Willowridge High School alumni, O. J. Brigance and Jarrod Oliver. Brigance would go on to play football at Rice University and professionally with the Baltimore Ravens. Oliver played collegiately at Oklahoma University and coached the Southwest Steers youth football organization in Fort Bend.

The \$6 million project carried out by Crain Group, LLC, is located at 5685 Hobby Rd., Houston, TX 77053. The much anticipated facility features two 100 yard football fields with bleachers on both sides for spectators and families, a full size press box, men and women's restrooms, concession stand and 4 meeting rooms for teams to rest between games.

More improvements and renovations are planned for the area in the near future with updates to the South Post Oak Baseball Fields. Precinct 2 Commissioner, Grady Prestage stated, "With two football fields, 3 baseball fields and a softball field, many programs for youth and adults will be available to revitalize sports and recreation in the community. This complex will bring events, vendors and community partners to the east end of Fort Bend County."
