MEDIA INVITATION TO PARTNER IN PUBLIC OUTREACH**Fort Bend County Launches New Vimeo Channel to Expand Public Access to County Programs and Initiatives**

FORT BEND COUNTY, TX – Fort Bend County invites all media partners to join in informing and empowering our community by utilizing a new public resource: the official Fort Bend County Vimeo account.

This online video library serves as a central hub for professionally produced content that highlights important County programs, public service announcements (PSAs), community initiatives, and informational videos designed to keep residents informed, engaged, and connected.

The County encourages all media outlets to access, broadcast, and share these videos on television, radio, and digital platforms, provided proper attribution is given to Fort Bend County.

This ongoing video archive will be updated regularly to reflect the latest developments, initiatives, and emergency communications, ensuring that timely and accurate information is readily available to the public.

KEY DETAILS:

- What: Fort Bend County Vimeo Channel – Public access archive of County-produced videos
- Why: To support regional media partners in delivering vital, accurate information to Fort Bend residents
- Where: <https://vimeo.com/fortbendcountytexas>
- Use Guidelines: Content may be freely used and shared with proper attribution to Fort Bend County

Media outlets interested in collaborating further or seeking interview opportunities related to any of the available content are encouraged to contact the Fort Bend County Public Information Office.
