Greetings!

The Houston-Galveston Area Council (H-GAC) is hosting a public meeting this summer to gather community input on the 2050 Regional Transportation Plan (RTP). This meeting will

take place in **Fort Bend County** on **Wednesday, August 6** from 6:30-8 pm at **Missouri City Branch Library**, 1530 Texas Pkwy., Missouri City, TX 77489.

The RTP will guide long-term transportation strategies and investments through the year 2050, including roads, transit, freight, bicycle and pedestrian infrastructure, and emerging transportation technologies. The plan covers Harris, Montgomery, Liberty, Chambers, Galveston, Brazoria, Fort Bend, and Waller counties.

How You Can Help

We would greatly appreciate your support in promoting these meetings and encouraging participation—especially from underrepresented communities. You can help by:

- Sharing the public meeting schedule with your networks
- Posting on your website, social media, or in newsletters
- Encouraging local attendance and engagement

Stakeholder Group Nominations Requested

In addition to public meetings, we are forming a stakeholder group to provide input throughout the planning process. If you—or someone in your organization or professional network—is interested in participating, **please complete the Stakeholder Interest Form**.

Stakeholders will help shape the draft plan by identifying challenges, sharing community priorities, and offering valuable insight.
