### **Commissioner Andy Meyers welcomes new member to Fort Bend Precinct 3 team**

Sugar Land, TX (Nov. 21, 2022) – Fort Bend County Commissioner Andy Meyers welcomes a key new member to his Precinct 3 team with the appointment of Dennis Spellman as Media Relations and External Engagement Manager.

“I am pleased to have Dennis in this important role, engaging with the media and the residents and organizations of Precinct 3,” Commissioner Meyers said. “I’m always seeking to improve outreach to those I represent and am pleased to have another seasoned veteran on the team.”

Spellman brings 30 years of experience in media, media relations, marketing, and high-level crisis communications. He has provided communication management for the largest school district in the State of Texas and one of the largest public housing agencies in the nation. In addition, Spellman spent 15 years as a Houston television and radio journalist and later founded a hyperlocal online news service covering North Fort Bend County.

“I had the pleasure of meeting Commissioner Meyers while serving as a journalist,” Spellman said. “He is one of the most straightforward, honest, hardworking, and effective local leaders I have known. He cares about his constituents and always seeks to include and unite those he represents. I am proud to be part of his team.”

Spellman and his family have been Fort Bend County residents since 2009. He volunteers at his church and local non-profits that serve the Fort Bend community.
