January 2, 2024

Dear Fort Bend County Residents,

Happy New Year! It brings me great pleasure to reflect on the progress we've made in the past five years and the exciting opportunities that lie ahead for our beloved Fort Bend County. As your County Judge, I am committed to working tirelessly to ensure that our community continues to be a thriving, inclusive, and prosperous place for all.

Economic Development and Job Creation

One of my primary focuses in the upcoming year will be to foster economic development opportunities that lead to job creation. Through strategic partnerships and innovative initiatives, I look forward to continuing to work with my fellow commissioners and other stakeholders to attract new businesses, promote entrepreneurship, and strengthen existing industries.

Infrastructure Improvements and Projects

A cornerstone of my vision for Fort Bend County involves substantial infrastructure improvements and forward-thinking projects. We understand the pivotal role that well-maintained roads, bridges, and drainage play in the growth and development of our community.

Parks and Recreation

A thriving and healthy community focuses on the quality of life of its residents and provides a variety of opportunities for recreation and leisure. Fort Bend County is dedicated to the enhancement of parks and recreational spaces. Whether it's a tranquil park for family picnics or state-of-the-art facilities for sports enthusiasts, we aim to create spaces that cater to the diverse interests of our residents.

Broadband Access Expansion

In our increasingly connected world, access to reliable broadband is essential. Recognizing this, we will continue to work to expand broadband access throughout Fort Bend County, ensuring that every resident has the opportunity to participate fully in the digital age. This initiative is not just about connectivity; it's about providing our children with exceptional education opportunities and fostering economic prosperity for the residents and our growing business community.

Transition Housing

In 2023 we partnered with our local nonprofit organizations to address the homelessness of some of our residents. In 2024, we will forge ahead on implementing programs that address this important issue, ensuring that every resident has access to safe and stable housing. The goal is to create a community where everyone feels that they belong.

Future Goals:

Anticipating the future, I am filled with excitement and optimism for Fort Bend County. My vision for the county is ambitious—I aspire to establish a world-class healthcare medical center that will stand as a

beacon of health and wellness for our vibrant community, the state, and the nation. Furthermore, I am eager to delve into opportunities in clean energy. My commitment to you remains steadfast. I am dedicated to creating an environment that fosters growth, prosperity, and an exceptional quality of life for you and your family. Together, let's build a future that we can all be proud of.
