## STAY INFORMED INSTANTLY WITH REAL-TIME ALERTS

### FOR IMMEDIATE RELEASE: Fort Bend Transit Launches Everbridge Notification System

Fort Bend Transit is excited to announce the official launch of its new alert notification system, **Everbridge**, FBTAAlerts, designed to keep riders instantly informed about important transit updates including weather delays, route closures, and other critical service notifications.

Beginning **April 28, 2025**, transit users will be able to sign up for the free **Everbridge** service and receive real-time alerts directly to their phones. Whether it is a sudden weather-related delay or a last-minute route change, **Everbridge** ensures riders have the latest information to plan their travels with confidence. **Everbridge** will officially launch on **May 5, 2025**.

“Communication is key when it comes to public transportation,” said Perri D’Armond, Transit Director for Fort Bend Transit. “This system gives us the ability to notify our riders immediately about anything that might impact their commute.”

#### How to Sign Up:

Riders can enroll in the **Everbridge** system by using the QR code below. Once signed up, users will begin receiving transit notifications via SMS text or email—whichever they prefer.

Fort Bend Transit encourages all riders to take a moment to register and stay connected. With **Everbridge**, your commute just got more reliable.
