

UPDATE

Fort Bend County Health and Human Services' Environmental Health Announces Aerial Mosquito Spraying Scheduled for July 30, 2024

Fort Bend County, Texas – Fort Bend County Health and Human Services Environmental Health Division will conduct aerial mosquito spraying, previously scheduled for Tuesday, July 30th, and will now take place on **Thursday, August 1, 2024**, to control the mosquito population. The aerial application of the mosquito control pesticide, **DIBROM**, will commence over designated areas of Fort Bend County, beginning around sunset.

Map of the spray area:

For Questions about Aerial Mosquito Control, please visit <https://www.dshs.texas.gov/news-alerts/questions-about-aerial-mosquito-control>

To protect yourself from mosquito bites, follow the 4 “D’s”:

- Avoid **Dusk and Dawn** when mosquitoes are most active.
- **Drain** standing water around your property.
- **Dress** in long sleeves and long pants when feasible.
- **Defend** yourself by using repellent containing DEET or other CDC-approved mosquito repellents.
