Sheriff's Office Communications Center Relocates Due to Fire

(FORT BEND COUNTY, TEXAS) – The Fort Bend County Sheriff's Office Communication Center has temporarily relocated to the Fort Bend County Office of Emergency Management due to a nearby electrical fire.

At this time, there is **no disruption** to emergency 911 calls or the nonemergency line (281) 341-4665. The Sheriff's Office will continue its dispatch operations at the OEM until further notice.

We appreciate the partnership with Greater Harris County 911 Emergency Network, who quickly assisted the Sheriff's Office to ensure a seamless transition.

GHC 911 administers the overall 911 technology for Fort Bend County and Harris County.

"We are thankful that nobody got hurt during this situation and that FBCSO dispatchers can continue regular operations in answering calls for service," said Sheriff Eric Fagan. "We'd also like to give thanks to the volunteers who assisted during the move including Sheriff's Office Support Services and communication personnel, CPA Alumni Association, FBC IT, OEM and MOD Pizza located on FM 762 for feeding our team. We are grateful for the community partnerships."
